The Forge Community Partnership is now 15 years old. Its vision has always been to promote high quality services and opportunities for all sections of the community, and in that time it has developed and run many well respected projects. These currently include:

Hoyland and Jump Sure Start local programme (Children Centre), the Rockingham Centre. Hoyland Common Community Centre, Elsecar Nursery and the Work Club.

About 50 staff are employed to run these

projects which touch the lives of hundreds of local people and families.

Previous projects included school engagement, sports development, Arts for Health, Learning Net, Community House, NEETs Project, Volunteer Coordinator and Activity Coordinator.

Forge has also assisted other local regeneration activities, including Blacker Hill Life Long Learning Centre, Hoyland Town Centre Working Group, Tankersley Welfare Hall, Elsecar Park and West Bank House.
